PRODUCT DESCRIPTION

Fluid emulsion 2 in 1 that combines in a single formula the function of cleansing cleanser and cleansing milk and the function of restoring the pH of the skin tonic, for a deep daily cleaning.

The light and non-greasy texture has a pleasant sensoriality, guaranteed by the presence of a complex of natural oils, essential waters and hyaluronic acid.

The thermal water of Ischia, with high soothing properties, deeply removes impurities, every trace of make up and sebum, without dehydrating the skin. The smooth and velvety texture of the tonic milk, allows immediate absorption and gives a deep feeling of comfort and elasticity.

FEATURES

Ideal as a daily treatment
For normal and/or dry skin
Paraben free
Paraffinum free

HOW TO USE / ADVICE

Apply the product on a cotton ball and proceed with the facial cleaning starting from the center outwards. For those who love a cleansing rinse, the tonic milk can be used by emulsifying it on the face with circular gestures and rinse with warm water.
