INDICATION

PRODUCT DESCRIPTION

Blend of natural essential oils in sweet almond oil specially designed to act effectively on localized fat deposits.

FEATURES

Paraffinum free
Paraben free
Nickel tested

HOW TO USE / ADVICE

Mix 5/8 drops with creams or oils depending on the treatment to be performed and proceed with the massage. Alternatively, apply a few drops absolute on the area to be treated and massage gently until absorbed.

ACTIVE INGREDIENTS / EFFECTS

Sweet almond oil: emollient, moisturizing and elasticizing action of the skin.

Lavender essential oil: reducing, draining and stimulating action of the microcirculation.

Birch essential oil: draining, prevents venous problems and circulatory disorders, in case of heavy legs, swelling, edema and lymphatic stagnation.

Juniper essential oil: effective stimulating action of local circulation, reducing the formation of extravasal edemas and improving cellular trophism.

Lemon essential oil: with refreshing and antiseptic activity.

Cypress essential oil: vasotonic, improves circulation and increases the strength of blood capillaries.

Diuretic and tissue draining, it is also indicated for the treatment of tired legs and as a stimulant of peripheral circulation.

Essential oil rosemary: anti-inflammatory, antiseptic, antibacterial and antifungal properties.
